DEDICATION

"Those who educate children well are more to be honored than even their parents, for these not only give them life, but the art of living well."

—ARISTOTLE

Her many years of unselfish service and professional devotion coupled with the joy of satisfaction of our first learning experiences under her kind and loving tutelage have inspired us to dedicate this 1956 volume of our Pirate's Log to Mrs. Alice Merrill. Our thanks and appreciation expressed here for the years of her elementary teaching are truly sincere.

SUPERINTENDENT'S MESSAGE

The words of James Madison are as appropriate today as when he spoke them early in the 19th Century:

"A popular government without popular information or the means of acquiring it is but a prologue to a farce or a tragedy or perhaps both. Knowledge will forever govern ignorance and a people who mean to be their own governors must arm themselves with the power which knowledge gives."

Dear George,

Well Bill wrote my little saying beneath dear Abe (Roswell) when we have to continue on with for one more year. Hope we make it to that wonderful night. Well have a ball.

Love your Pal

SENIOR CLASS HISTORY

Four years ago, we, the Class of 1956, began a segment of our journey through life. In 1952, 1953 we were Freshmen. That year we painted the "B" and what a grand and glorious job we did. We were subjected to Kangaroo Kourt, which, that year, was sponsored by the Student Council. Everything was the first for us—brand new and very exciting. We sponsored a dance—our first one—The Frosh Frolic.

By the time we had successfully entered our Sophomore year, we had grown a little more accustomed to high school life. We had almost learned the gentle art of working together. Our class meetings were somewhat quieter and it seemed as though we didn't all talk at once. That year, 1953-1954, we sponsored the Sno-Ball and the Sophomore Hop.

Suddenly we had terminated our Sophomore year and at long last were upperclassmen. By this time we had acquired a considerable sum of money. Our junior year we ordered our cherished class rings. Happily, they arrived the day we decorated for the Junior Prom. We sponsored the Junior-Senior Banquet with the theme, Evening in Paris, and the Commencement Dance honoring the Class of '55.

Finally, we became Seniors, and everything was the last—the last Homecoming Dance we'd attend while still in high school, the last Football Banquet, and so a little more meaning was attached to the events which we had thought ordinary. We put our number on the hill but not without some difficulty, thanks to quite a number of juniors and underclassmen. Now, gone the way of all Seniors, we were without funds, but we managed. Graduation pictures were taken. A strange sensation rippled about when we discussed caps and gowns and announcements. We sponsored a successful Senior Ball at Christmas. The months rolled by; soon it was May, and our Commencement was here.

And so we closed an important chapter in our lives. In the years to come we'll remember the wonderful times we shared. As in the title of our class song, "We'll Have These Moments to Remember."

Bertie Witzel

Dear George,
I've truly enjoyed our friendship the past two years. I hope we will be able to have as much fun next year as I have had this year. I've appreciated your folks kindness to me. Through our acquaintance I've noticed unmatchable quality and abilities in you, I'm sure you'll make a fine student body Pres. Good luck.
Always a friend,
Kleanna Marie

George:

I have enjoyed going to school with you these last three years and I sure wish I would be here next year. Lots of luck in all of your endeavors and I am sure you will make a darn good president for this school. You are a swell kid and I want to congratulate you as one kid who can get an office like you have held and not get swell-headed about them. There are not many and I hope you will stay as you are.

Best of luck and Eternal Happiness to a Pal

I never was one for flowery speeches and flattering compliments, so I'll just proceed in the usual dull manner. Don't forget those campaign promises or I'll remind you daily (ha! ha!) Good luck next year and about this ~~year~~ year — it's been fun and enlightning.
